Along the way, we'll play golf in Vienna, Passau, Wurzburg and Cologne. All onboard meals, regional wine and beer with lunch and dinner, onboard entertainment and your choice of specified shore excursions are included.

Your river cruise begins with visits to some of Europe's most vibrant capital cities. Local guides will show you the must-see sights in each city and you'll have plenty of time to explore on your own. See the famous Heroes' Square in Budapest, stroll through Bratislava's Old Town with its winding streets and bronze sculptures. Sail through the picturesque Wachau Valley and the dramatic Rhine Gorge. Visit Melk's magnificent Benedictine Abbey. Enjoy a tasting of Wachau wines. Explore quaint towns like Durnstein, with its blue and white baroque church, and Bamberg, with its town hall straddling the River Regnitz. Enjoy guided walks in historic Nuremberg and Regensburg – one of Germany's best-preserved medieval cities.

In the charming Rhine Valley town of Rudesheim, enjoy a stroll through its famous cobblestone Drosselgasse lined with shops, restaurants and lively taverns. Straddling both sides of the Rhine River is Cologne Germany – a 2,000-year-old city known for its gothic architecture. Here, enjoy a guided walk and see its famous twin-spired cathedral. We complete our cruise with a visit to Holland's lively capital of Amsterdam. See the treasures of this 700-year-old city from a canal cruise along the elegant Grachten.

Insurance:

We have included Avalon's SafetyNet Protection to the value of \$95 per person. This allows you to cancel with no penalties up to 30 days prior to your holiday, or transfer your holiday to another date or holiday within Globus Family of Brands portfolio with only 24 hours notice**. We strongly recommend you should take out travel insurance to cover your other arrangements, including medical cover while you are away from New Zealand. We can help you with Travel Insurance so please ask for a quote.

**The \$95 SafetyNet Protection included is non-refundable. SafetyNet Protection must be purchased for each individual passenger and the purchase covers an individual passenger's Globus family of brands products booked at the same time the SafetyNet Protection is purchased. SafetyNet Protection applies to the cruise, associated pre/post accomm and transfers booked directly with the Globus family of brands. SafetyNet does not apply to any airfares or any products purchased via another wholesale or retail supplier, nor does it apply to any service charge or cancellation fee charged to you by your Travel Agent, which should be discussed at time of booking. SafetyNet can be utilised in one of two ways only: Cancellation Protection or Transfer Protection. Cancellation Protection enables passengers to cancel their booking in full up to 30 days prior to the commencement of services, without any applicable cancellation charges or penalties. Transfer Protection enables passengers to amend their booking (once only) up to 24 hours prior to the commencement of services to a later date in the same or subsequent year (value will be held as a Future Booking Credit) without any applicable cancellation charges or penalties. If Transfer Protection is applied and the booking is subsequently cancelled by the passenger, the cancellation penalties relating to the transfer date of the original booking will be compared to the cancellation penalties of the new transferred booking and the higher penalties will be charged. SafetyNet Protection can only be applied to a booking once only. More conditions apply, see avalonwaterways.co.nz
