Wherever you look, each piece of the adventure will take your breath away. It's a journey you'll never forget, in one of the most beautiful settings on the planet.

STEP OFF THE TRAIN & INTO THE WORLD.

BANFF

Inside the vast untamed wilderness of Banff National Park, you'll find the town of Banff. This picturesque resort area is full of distinctive hotels, restaurants, and watering holes. Here, you'll discover a delightful combination of rugged mountains, lush parks with postcard scenery, and a thriving arts community.

LAKE LOUISE

Just outside Banff is a phenomenal turquoise-tinged lake set against a breathtaking backdrop of rugged peaks and glaciers. Immerse yourself in nature and hike around the quiet waters of Lake Louise, taking in the famous Victoria Glacier. You need to see it to appreciate why it has inspired a host of internationally renowned artists.

JASPER

Part of a UNESCO World Heritage site, Jasper National Park is an 11,000 sq.km. home to incredible scenery and wildlife. By day, take in an extensive train network and dramatic mountain peaks. At night, sitting under a glittering blanket of stars, view the Dark Sky Preserve, worthy of visits from astronomers the world over.

Discover the most enchanting destinations of Western Canada and the Pacific Northwest. Each one is memorable in its own way, from vibrant cities and quaint towns to stunning national parks flanked by towering mountains. The journey unfolds a series of magical experiences, with every moment seeming to surpass the one that came before it.

VANCOUVER

With a backdrop of snow-capped mountains and glistening ocean waters, Vancouver offers it all. From beautiful beach walks to award-winning restaurants, it's suburban, urban—and a natural beauty. Stanley Park has been hailed the soul of the city and the envy of the world. Explore Vancouver on foot, by water taxi, and by bike. This is a city that will undoubtedly surprise you.

WHISTLER

Host of the 2010 Olympic and Paralympic Winter Games, Whistler is one of the top ski resorts in North America. At the foot of two towering mountains are championship golf courses, eclectic shops, top restaurants, and rejuvenating spas. For the more adventurous, there are glaciers, ziplines, and the world's best summer hikes and mountain bike park.

SEATTLE

This renowned US city in Washington state boasts stunning mountain and water views. With a reputation for great music, fresh seafood, and incredible coffee, Seattle offers a lot of attractions within a very walkable downtown core. Take in a professional sporting event or cultural tour. If you're sleepless here, it's because there's so much to do.

FIRST PASSAGE TO THE WEST

INTO THE UNTAMED WESTERN WILD.

VANCOUVER

KAMLOOPS

LAKE LOUISE OR BANFF

Our most popular route, *First Passage to the West* retraces the steps of the 19th century explorers who first marvelled at this untamed wilderness, and gives a living history lesson on the building of a nation.

TRAIN DAY 1

VANCOUVER KAMLOOPS

Board Rocky Mountaineer in the urban oasis of Vancouver, British Columbia, and journey through the farmlands of the Fraser Valley. From fertile greenery, the landscape transforms to the towering peaks of the Coast Mountains. You'll see the mighty Fraser River and the raging whitewater of Hell's Gate. Then, the landscape undergoes another transformation and you'll find yourself amid scrub brush and desert. You will pull in to overnight at a hotel in the city of Kamloops.

TRAIN DAY 2

KAMLOOPS LAKE LOUISE OR BANFF

Now your venture into the heart of the mountains begins in earnest. Continuing east along the South Thompson River, you'll witness historic Craigellachie. This spot marks where the Last Spike was driven on the Canadian Pacific Railway line, uniting the nation. You'll gaze in wonder at cascading waterfalls and at icy glaciers spilling over the lips of the peaks above, on your way to the charming alpine town of Banff and the brilliant waters of Lake Louise. And all of this craggy wilderness is yours to embrace, from the comfort of your luxurious Rocky Mountaineer coach.

You can also choose to travel westbound, journeying from Lake Louise or Banff to Vancouver.

*“The journey from Vancouver to Lake Louise
on the Rocky Mountaineer was wonderful,
magical, the scenery to die for.”*

JOURNEY THROUGH THE CLOUDS

ENCOUNTER WILDERNESS IN
THE MOST CIVILIZED WAY.

VANCOUVER KAMLOOPS JASPER

By geological standards, the Canadian Rockies are a relatively young mountain range. And because they're remote, they are essentially unspoiled. Our *Journey through the Clouds* route takes you through some of the most untouched, most breathtaking natural beauty on the planet.

TRAIN DAY 1

VANCOUVER KAMLOOPS

Your journey starts gently, moving through the fertile farmland of the Fraser Valley and the rolling hills of the Coast Mountains. As your train gains altitude beyond the town of Hope, the Fraser River narrows and the waters run rampant. The train will slow to fully appreciate Hell's Gate, a narrow canyon where the volume of water rushing through is about three times greater than Niagara Falls. At the midway point of your journey, near your overnight stop of Kamloops, the river valley remains lush and green while sagebrush covers the surrounding desert-like hills.

TRAIN DAY 2

KAMLOOPS JASPER

When you board the train after spending the night in a charming Kamloops hotel, you will follow the North Thompson River, slowing to take in Pyramid Falls, a 91.5-metre (300-foot) cascade of whitewater. After giving you time to pick up your jaw, the train continues on to the Yellowhead Pass. Moving past teal-green lakes, you'll close in on Mount Robson, the tallest peak in the Canadian Rockies. It's so high it has its own weather system. The striking thing about this route is that once you've seen what you think is the most beautiful sight ever, something even more stunning comes along. To cap it all off, you'll wind up in the alluring alpine town of Jasper.

You can also choose to travel westbound, journeying from Jasper to Vancouver.

*“The Rocky Mountaineer staff were fabulous,
from booking to sightseeing. We’ve travelled the world
and this is one of the travel highlights of my life.”*

CALGARY DEPARTURE ALSO AVAILABLE.

EXTEND YOUR JOURNEY WITH A RESORT UNLIKE ANY OTHER.

*Remote, elegant, and exclusive, this five-star hidden
gem is well worth seeking out.*

This jewel of a package offers you the option of combining Sonora Resort – a five-star all-inclusive getaway in the wilderness – with a Rocky Mountaineer rail journey. Only accessible by sea or air, Sonora Resort is nestled in British Columbia's Discovery Islands on a remote stretch of pristine coastal rainforest. But the accommodations and amenities are a far cry from roughing it.

Choose from an abundance of outdoor activities offered, or enjoy the lavish on-site features. We suggest a mix of both. What better way to wind down from hiking and biking through unspoiled wilderness than rejuvenating at the spa? Or, perhaps you'll decide to add on an eco-adventure tour, guided salmon fishing, or a grizzly bear tour. After, you can relax in the rooftop hot tubs, hop into the sauna, take in a movie, or visit the putting green.

*This tour pairs two nights at the ultimate Pacific Northwest wilderness retreat,
Sonora Resort, with the awe-inspiring sights of the Canadian Rockies.*

THE WILDLIFE ISN'T AT YOUR BECK AND CALL, BUT WE CERTAINLY ARE.

Enjoy outstanding seasonal menus featuring local ingredients. In fact, our Executive Chef often forages the nearby wilderness for seasonal delicacies like ripe berries and wild mushrooms. The dishes we serve tell incredible stories about the Pacific West Coast through flavours, textures, and colours. Of course, you can choose to accompany each bite with a sip of something wonderful from the well-stocked cellar. Chat with the sommelier about which wines will pair beautifully to take your gastronomic experience to new heights.

This Relais & Châteaux resort is truly something to call home about – and yes, international phone calls are complimentary.

OPTIONAL ADD-ON ACTIVITIES*

ECO-ADVENTURE TOUR

Tour the Discovery Islands in a Polaris vessel with a wilderness guide. Take in the amazing views, learn about the history of the area, and watch for the abundant wildlife around these parts, including bald eagles, Pacific white-sided dolphins, and killer whales.

*Available at an additional cost.

GUIDED SALMON FISHING

Fish for chinook salmon in the calm waters surrounding the Sonora Resort. You'll be provided with everything you need – bait and tackle, floater suits, life jackets, rain gear, boots, a saltwater fishing licence – and an experienced guide.

GRIZZLY BEAR TOUR

In late August, September, and October, grizzly bears lumber to the Orford River to feast on the spawning salmon. Travel by boat up Bute Inlet, and then drive through the rainforest to viewing towers along the riverbank and see if you can spot the elusive creatures in their natural habitat.

RAINFOREST TO GOLD RUSH

FIND THE WORLD'S MOST NATURAL TREASURES.

VANCOUVER WHISTLER QUESNEL JASPER

This three-day route takes you from one extreme to the next, in the best way possible. From the world's largest temperate rainforest to desert landscapes. From a vibrant city to a quaint mountain town. From tranquil ranchland to some of the most untamed wilderness anywhere on the planet.

TRAIN DAY 1

VANCOUVER WHISTLER

Beginning at the foot of the Coast Mountains, overlooking the stunning city of Vancouver, British Columbia, you'll roll along the scenic fjord of Howe Sound. Prepare to be amazed as you make your way past massive cliffs, canyons, and stunning bridges. You'll then arrive in world-famous Whistler, the 2010 Olympic and Paralympic Winter Games host city. There, you'll explore the picturesque village and enjoy a relaxing stay at one of Whistler's hotels.

TRAIN DAY 2

WHISTLER QUESNEL

The next day, you'll depart from wonderful Whistler and travel up the Pemberton Valley, as you glide beside gorgeous Anderson and Seton Lakes. Turning north and west, the landscape becomes more rugged. More wild. Sheer cliffs on one side, milky-green lakes on the other. You'll emerge into the arid ranchland near Quesnel, Canada's gold rush capital. The gold rush may be over, but there are still many treasures to be found in this historic region.

TRAIN DAY 3

QUESNEL JASPER

After an overnight hotel stay in Quesnel, you'll head north again. Wide-eyed, you'll experience mountainous terrain, untouched lakes, and incredible waterfalls. You'll gradually gain altitude and enter the Canadian Rocky Mountains. The awesome sight of Mount Robson, the range's highest peak, will greet you as you wind your way to the alluring alpine town of Jasper, Alberta. Every step of the way, your emotions will follow the extremes of the journey, from silent awe to uncontained elation.

You can also choose to travel westbound, journeying from Jasper to Vancouver.

“The views are amazing, the service is outstanding, and the train itself is a must-do experience. I would go again tomorrow!”

COASTAL PASSAGE

WHERE LANDSCAPES MEET SEASCAPES.

SEATTLE VANCOUVER KAMLOOPS LAKE LOUISE OR BANFF

Our *Coastal Passage* route hugs the shoreline between the cosmopolitan cities of Seattle and Vancouver, before travelling east into the mountains. For the length of your journey you'll be living on waterfront property, so to speak, soaking in incredible views of the Pacific Ocean, coastal rainforest, and Coast Mountains.

TRAIN DAY 1

SEATTLE VANCOUVER

Board the train in the Emerald City of Seattle, then journey north past the farms and forests of Puget Sound, picturesque Chuckanut Bay, and the pristine waters of the Salish Sea. All with the majestic volcanic cone of Mount Baker dominating the distant skyline. Eventually, you'll reach the beachside community of White Rock, on your way to the gleaming glass towers of Vancouver. Spend one or more nights in Vancouver prior to continuing east on your Canadian Rockies rail journey.

TRAIN DAY 2

VANCOUVER KAMLOOPS

Board Rocky Mountaineer in the urban oasis of Vancouver, British Columbia, and journey through the farmlands of the Fraser Valley. From fertile greenery, the landscape transforms to the towering peaks of the Coast Mountains. You'll see the mighty Fraser River and the raging whitewater of Hell's Gate. Then, the landscape undergoes another transformation and you'll find yourself amid scrub brush and desert. You will pull in to overnight at a hotel in the city of Kamloops.

TRAIN DAY 3

KAMLOOPS LAKE LOUISE OR BANFF

Now your venture into the heart of the mountains begins in earnest. Continuing east along the South Thompson River, you'll witness historic Craigellachie. This spot marks where the Last Spike was driven home on the Canadian Pacific Railway line, uniting the nation. You'll gaze in wonder at cascading waterfalls, and icy glaciers spilling over the lips of the peaks above, on your way to the charming alpine town of Banff and the brilliant waters of Lake Louise. And all of this craggy wilderness is yours to embrace, from the comfort of your luxurious Rocky Mountaineer coach.

You can also choose to travel westbound, journeying from Lake Louise or Banff to Vancouver and Seattle.

“One of the most memorable travel experiences we have done. From the moment you step into the station till the time you step off the train at the end of your journey, you are treated as royalty.”

CIRCLE JOURNEYS

If your aim is to be awe-inspired for as long as possible, you can choose a Circle Journey and combine two or more of our rail routes to get the most number of days onboard Rocky Mountaineer. Plan to start and end your journey from the same place, and then get ready to take it all in.

- STEP 3 -

CHOOSE YOUR SEASON.

You can ride Rocky Mountaineer during the spring, summer, or autumn. This gives your vacation schedule a lot of flexibility, and provides you with the opportunity to experience the beauty of the Rocky Mountains under very different conditions. In the spring, you can witness the wilderness coming to life. Flowers bloom and new growth is evident everywhere, but the crowds of summer tourists are not. Summer brings longer, warmer days. Wild creatures great and small come out to play. And in the autumn, the leaves begin turning and hints of frost touch the peaks of the mountains.

Keep in mind that early spring and late autumn offer our best pricing.

SPRING

APRIL | MAY

As winter relinquishes its hold and the wilderness comes to life, this is one of the best times to get onboard Rocky Mountaineer. Lakes, streams, and waterfalls swell. Bears lumber out of hibernation. Birds begin nesting. Flower blooms fill fields with vibrant colours. And best of all, the crowds of summer tourists have yet to arrive.

SUMMER

JUNE | JULY | AUGUST

Warm weather urges vegetation to flourish. Newborn animals emerge under their parents' watchful eyes. The days grow longer. The rainforest is at its most lush and the arid desert canyons have an especially rugged beauty during June, July, and August.

AUTUMN

SEPTEMBER | OCTOBER

The forests create a vibrant display of red, orange, and gold, mixed with evergreen. Snow frosts the mountain peaks. The animals forage through the wilderness to prepare for the coming winter. The crowds of summer tourists are waning in October.

PACKAGE STYLES

CLASSIC

This is the gold standard upon which all of our packages are built. You get our incredible Rocky Mountaineer train experience, plus hotel stays at each end of your journey.

Please read the following information carefully, as the terms and conditions described herein constitute an agreement between you and those who provide the service. If you decide to travel with Rocky Mountaineer and make payment on a tour, you thereby agree to accept the terms and conditions of this contract.

2. Brochure Prices

All prices herein are quoted in Canadian (CAD) dollars. Please refer to Section 3 for further details regarding GST. Prices and information in this brochure are for the 2019 season and are subject to change without notice. Rocky Mountaineer cannot be held responsible for any changes that may occur and reserves the right to increase the price of any travel arrangement up to the date of departure. This includes, but is not limited to, exchange rate adjustments, fuel surcharges, and airfare increases. Deposits along with final payments must be in the same currency as the booking. If they are purchasing their rail tour from outside Canada, Rocky Mountaineer may claim the rebate on their behalf. The result is a 50% reduction in the tax rate. When non-resident guests purchase their rail tour while in Canada, Rocky Mountaineer charges GST at the full rate, and any GST rebate to which a visitor to Canada may be entitled must be claimed from the Canada Customs and Revenue Agency directly by the guest. We reserve the right to pass on any additional costs charged by our suppliers. No right of cancellation exists in this circumstance. If one of our packages does not meet your requirements, we will be pleased to customize your rail tour package. Ask your Vacation Consultant for details. Individual tour component pricing breakdowns are not available.

8. Company Liability

You assume all risks of your participation in rail tour operations, travel services, accommodations, and other services, facilities, products, or events provided in connection with this Agreement (all of which are collectively referred to as the "Tour"), and you waive and release all claims that you may have or acquire against Rocky Mountaineer, GCR, and their respective officers, directors, employees, and agents (all of whom are collectively referred to as the "Releasees") arising from or related, directly or indirectly, to the Tour, including claims arising from the negligence of any Releasee, and including (without restriction) claims for or arising from personal injury, death, property damage, delay, inconvenience, advertising, misrepresentation, loss of revenue or profit, loss of enjoyment, upset, distress, or frustration, whether physical, mental, or otherwise, expenses, travel, or accommodation costs, claims for punitive damages, claims for unjust enrichment, profits, waiver of tort, non-monetary loss, injunctive relief, or any other form of remedy, subject only to the limited claims in respect of loss of luggage or cancellation by Rocky Mountaineer set out in sections 11 and 12 of this Agreement.

9. Force Majeure

Rocky Mountaineer and GCR are not responsible for the performance of this agreement if prevented or delayed by acts of God, strikes or other labour relations matters, accidents, weather, traffic, airport conditions, lack of performance by third-party suppliers, or other causes beyond their reasonable control from meeting its terms. Nor will they be responsible for any loss or damage relating to train cancellations or any other cancellations. Rocky Mountaineer and GCR reserve the right to decline to accept or retain any person as a tour participant should such person's behaviour, health, or mental condition be detrimental to the operation of the tour or to other guests. Rocky Mountaineer and GCR are not liable for any expenses arising as a result of exercising this right.

10. Passport/Visa/Health Regulations

Passports: If travelling from outside Canada (including from the USA) you will require a passport for entry into Canada and appropriate identification (ID) for all family members. All guests travelling on our Coastal Passage route will require a valid passport and/or visa (depending on their citizenship). Airlines and cruise ships reserve the right to refuse boarding without adequate ID. Visas: Check with your travel professional, Immigration Canada, or United States Customs and Border Protection. Rocky Mountaineer is not responsible for guests refused entry into Canada or the United States because of inadequate documentation. For further information regarding entry requirements into Canada, please contact Immigration Canada. Single parents or grandparents travelling with children must ensure proper documentation is obtained for entry into Canada. **Health Regulations:** There are no vaccination requirements for international travellers into Canada.

11. Luggage

The luggage or articles accepted and transported on Rocky Mountaineer are subject to Rocky Mountaineer's luggage policy and conditions as set herein.

Guests travelling on Rocky Mountaineer are limited to two checked pieces of luggage per person. Total checked luggage weight per person is not to exceed 30 kg (66 lb.) Each piece of luggage must have an identification tag attached to it that includes name, return address, and telephone number.

Note: All guests' luggage will be delivered to their accommodations in Kamloops, or Whistler and Quesnel. All guests travelling on Rocky Mountaineer should carry any valuables, medications, or necessary belongings with them onboard the train.

Oversized items, e.g., sports equipment, may be subject to a surcharge.

Guests are prohibited from carrying weapons, firearms, ammunition, incendiary devices, explosive, flammable, hazardous, illegal, or radioactive materials or other potentially dangerous items. Rocky Mountaineer has the right to search any guest's luggage or personal effects for any such items and in its sole discretion may confiscate, store, destroy, or surrender to an appropriate authority any item that it reasonably considers is or may become dangerous, and to refuse boarding, or remove, any passenger who declines to cooperate in such a search or to surrender such an item.

Money, jewelry, negotiable papers, cameras, video and electrical equipment, electronic devices, computers and accessories, cellular telephones, medical equipment, sporting goods, wheelchairs, personal mobility devices, walkers, and strollers are checked at the owner's risk. Rocky Mountaineer is not responsible for any loss or damage caused to or by these articles and they are subject to Rocky Mountaineer's Maximum Liability policy.

All pets or animals (excluding certified service animals) are prohibited from travelling onboard Rocky Mountaineer. Any requirement for a certified service animal to accompany a guest should be submitted, in writing, at time of booking.

Maximum Liability: Maximum Liability for loss or damage to personal checked baggage and specialty items is limited to a maximum of \$500 CAD per piece of checked luggage. Rocky Mountaineer will not cover full replacement cost of misdirected or damaged luggage and contents. Liability is restricted to personal luggage consisting of wearing apparel, toilet articles or similar effects for personal use and comfort, as well as articles other than personal luggage, which may be checked and handled in accordance with Rocky Mountaineer's luggage policy. Liability does not apply to carry-on luggage, items transported for or belonging to other persons, or items intended for sale. Rocky Mountaineer is not liable for damage resulting from over-packing or non-structural damage considered normal wear and tear, such as scratches, scuffs, nicks, missing pull straps, zipper damage, damage to wheels, manufacturers' defects, soils, stains, or spillage. Please contact a Rocky Mountaineer representative if you have any questions about the materials you intend to transport. Except as specifically provided in this paragraph, loss or damage to luggage will be subject to the limitation of liability contained in section 8 of this Agreement.

Guests who have medical condition(s) or mobility restrictions which may require accommodation during their journey must provide full details during the booking process to ensure their needs and requirements can, when possible, be met. Not all packages sold by Rocky Mountaineer are suitable for all guests. Our Vacation Consultants can advise of the suitability of packages depending on needs of individual guests. Failure to disclose requirements may result in an inability to deliver the services as booked and Rocky Mountaineer will not be responsible for cancellation penalties, loss of services or any other losses, costs or expenses incurred as a result of a guest's failure to provide details of his or her needs and requirements. Guests who require assistance, must be accompanied by another guest who is able to provide all the assistance required (our staff cannot provide such assistance).
