- ◆◆◆◆◆ Deluxe standard of accommodation and facilities
- ◇ Denotes additional half rating

Pricing Guide

The prices featured in this brochure are intended as a guide. The prices have been calculated using the lowest available daily price at the time this brochure was produced and may change due to exchange rate fluctuations, availability, taxes or seasonal surcharges.

Prices featured in accommodation listings are per person twin share for the period specified unless otherwise stated. The "From" price has been calculated using the lowest nightly rate available, i.e. lead-in room type in off-peak season including free night offers if applicable, even if that offer is only available for part of a season. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Ask your travel agent for the best price available, other room types or travel dates.

The above table shows flight durations for direct flights only. Connecting flights from other destinations are also available. Times are a guide only and subject to change.

Passports, Visa and Travel Insurance

Travellers to the United Arab Emirates and Oman must have a passport which is valid for at least six months. A visa is required for entry into Oman; this can be purchased in advance or upon arrival. No advance visa is required for entry into the United Arab Emirates for New Zealand passport holders. Please check the passport and visa requirements with your travel consultant or the appropriate embassy/consular office before you travel. We strongly recommend that you purchase a comprehensive travel insurance policy when you book your holiday.

Currency

The currency of the U.A.E. is the Arab Emirate Dirham (AED). Oman's currency is the Omani Rial (OMR).

Climate

The Arabian Peninsula climate is sub-tropical with temperatures that vary from warm in the winter months to very hot in the summer. Rainfall is infrequent and sunny blue skies prevail throughout the year.

Temperature average:

Spring	29°C
Summer	42°C
Autumn	32°C
Winter	23°C

Language

Arabic is the official language of the United Arab Emirates and Oman; however English is widely spoken in the major cities and tourist areas.

Electricity

Arabian Peninsula 220V–240V/60Hz. An international adaptor is recommended.

Ramadan

The holy month of Ramadan is the most spiritual period for Muslims and the fast from dawn to dusk is one of its most important aspects. Daytime is often quieter, business hours are generally shorter with restaurants and cafes screened off or closed out of respect for those who are fasting. You may also find that shops and markets will close early in the afternoon. Within many hotels and resorts, tourists may notice little difference, other than some alterations to restaurant operations. Eating, drinking, chewing gum and smoking openly in public is prohibited by law, in daylight hours, during Ramadan. In the evening, cities come to life, public places will be busy well into the early hours of the morning and main shopping centres and most large stores have a festival atmosphere.

Etiquette and Tipping

Visitors to the Arabian Peninsula need to be considerate of the local customs and traditions, especially when visiting Mosques or other significant religious sites. Tipping is appreciated but isn't compulsory. Most restaurants add a service charge to their bill, in which case a tip is unnecessary.

Tourism Fees

A Tourism Dirham charge applies to hotel guests, staying within the Emirate of Dubai, this fee is levied per occupied room night, per occupied bedroom and is not charged based on the number of guests staying in a room. This fee is not included in our costs and will be advised at time of booking.

A Tourism Fee of AED15 per room per night applies to all guests, staying in any hotel establishment, within the Emirate of Abu Dhabi.

Both fees are payable direct to the hotel and are collected upon check-in or check-out depending on the hotel process.

Top 10 Things To Do

1 Palm Jumeirah

2 Sheikh Zayed Grand Mosque, Abu Dhabi

3 Market food

4 Dubai Creek

5 Wild Wadi Waterpark

1. Palm Jumeirah

Make sure to include a visit to Palm Jumeirah on your "must do" list while in Dubai. Palm Jumeirah looks like a stylised palm tree from above and was one of the first islands constructed on this artificial archipelago. Sail around the island in a yacht or speedboat or hop aboard the Palm Monorail that runs to the Atlantis resort.

2. Culture

The blend of old and new in the Arabian Peninsula makes for an incredible cultural experience. The many old world buildings and palaces mesh intriguingly with modern skyscrapers. Visit the majestic Sheikh Zayed Grand Mosque in Abu Dhabi or gain a greater insight into Arabian culture at The Sheikh Mohammed Centre for Cultural understanding in Dubai.

3. Dining

The Arabian Peninsula offers a range of dining options waiting to tempt your tastebuds. Sample traditional Emirati food infused with spices and ingredients from Asia and the Middle East at one of the local souks. Or head into the desert for an Arabian style buffet. For those with a yearning for fine dining, Dubai and Abu Dhabi play host to many hatted restaurants.

4. Dubai Creek

Dubai Creek, flowing between Deira and Bur Dubai in the historic centre of Dubai, is the reason for the city's very existence. The creek has been widened many times in the last century and is often busy with *abra* ferrying passengers between the souks and the historic district. This waterway

can also be enjoyed via a sunset dinner cruise aboard a traditional Arabian *dhow*.

5. Theme Parks

The choices are endless! Cool off at Wild Wadi Waterpark or Aquaventure or try snow skiing at the Mall of the Emirates. The recently opened LEGOLAND® Dubai provides fun for little kids while Ferrari World in Abu Dhabi will enthrall all ages.

6. Burj Khalifa

Soaring over 828m into the desert sky, the Burj Khalifa skyscraper is the tallest building in the world and a stunning feat of modern engineering. Start your Dubai holiday with a trip to the observation deck on the 124th floor for a bird's eye view of the amazing desert landscape.

7. Desert

Head anywhere in the Arabian Peninsula and you will be staggered by the breathtaking scenery. Visit Oman and relish glittering ocean views over the Gulf, venture into the deserts of Abu Dhabi where you will believe that you have been cast in a scene from Lawrence of Arabia and witness incredible vistas from the highest building in the world.

8. Souks

If you want to experience "local culture", a visit to the souks is a must. Bright, colourful, noisy and fascinating, the souks offer a taste of then and now. Purchase fresh spices and have them packed in quaint little pouches. Or visit a perfume souk and have a scent custom made to complement your skin type and personality.

9. Shopping

With world class malls that elevate the shopping experience to new heights, Dubai is one place that you can shop until you drop. The Dubai Mall, the largest shopping centre in the world, and the equally impressive Mall of the Emirates rival Paris and New York for luxury shopping.

10. Beaches

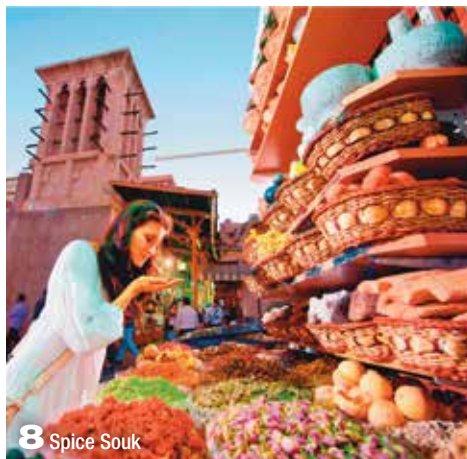

The Arabian Peninsula has thousands of kilometres of spectacular coastline where you can swim in the warm crystal-clear waters for most of the year. Many beach hotels have their own private beaches or visit one of the iconic beach clubs for a little pampering.

6 Burj Khalifa

7 Dunes of Rub Al Khali

We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.

- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

5. Prices

- 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.

6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
