The prices featured in this brochure are intended as a guide. The prices have been calculated using the lowest available daily price at the time this brochure was produced and may change due to exchange rate fluctuations, availability, taxes or seasonal surcharges.

Prices featured in accommodation listings are per person twin share for the period specified unless otherwise stated. The "From" price has been calculated using the lowest nightly rate available, i.e. lead-in room type in off-peak season including free night offers if applicable, even if that offer is only available for part of a season. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Ask your travel agent for the best price available, other room types or travel dates.

## 1 Whistler Blackcomb

Point

## 2 Brown Bear

## 3 Rocky Mountaineer

## 4 Orca Whale

## 5 Columbia Icefields, Canadian Rockies

### 1. Hiking and Mountain Biking

Craggy peaks, iridescent lakes, sparkling glaciers and a variety of wildlife – Canada is the ideal place to enjoy hiking and mountain biking. Try the short but steep Grind on Grouse Mountain near Vancouver, the absolute beauty of Jasper and Banff National Parks or the Sea to Sky Trail and the Mountain Bike Park in Whistler. (see page 41 for details)

### 2. Bear Viewing

Wildlife spotting doesn't get much wilder than this. Grizzly bears can be found fishing for salmon in rivers around Knight Inlet in British Columbia, Black bears roam the forests of both the Atlantic and Pacific coastlines, and the spectacular Polar bear can be spotted around Churchill in Manitoba and out on the tundra of Arctic Canada. Keep an eye out for other wildlife including elk, moose, caribou and mountain goats. (see pages 23, 42, 54 to 57 for details)

### 3. Rocky Mountaineer

Inhale the mountain air and let nature take your breath away on the Rocky Mountaineer. This world famous train travels by the glacier-capped mountains, tumbling waterfalls and fleeting wildlife of the Canadian Rockies. Enjoy the historic storytelling, world class cuisine and unparalleled service. (see pages 12 to 18 for details)

### 4. Whale Watching

Canada is one of the best places in the world to get close to the incredible whale. Amazing photo opportunities can be found in the Pacific waters off Vancouver in the west, or the Atlantic Ocean or St Lawrence River in the east. (see pages 23 and 32 for details)

### 5. Icefields Parkway

Stretching 232 kilometres through the heart of the Canadian Rocky Mountains between Jasper and Lake Louise, the Icefields Parkway offers the road trip of a lifetime. This spectacular drive winds its way through two national parks boasting pristine mountain lakes, ancient glaciers and sweeping valleys. (see pages 25 to 26 and 41 for details).

### 6. History and Culture

There are many different places to experience the traditions, history and culture of Canada and its people. Some of our favourites are the totem poles in Vancouver's Stanley Park, Head-Smashed-In Buffalo Jump in Alberta, the Huron Traditional Site near Québec City and First Nations cultural centres in the Yukon and Alaska. (see pages 28, 39 and 52 for details)

### 7. Calgary Stampede

For all things western – a real rodeo, chuckwagon races, food, concerts, shows, rides and cowboy culture – don't miss 'the greatest outdoor show on earth' in July. (see page 38 for details)

### 8. Alaska

For a once in a lifetime opportunity, don't miss the massive glaciers of Kenai Fjords National Park and Prince William Sound, the unspoiled wilderness of Denali National Park or the vastness of Alaska's Arctic. (see pages 51 to 52, 55 to 57 for details)

### 9. Niagara Falls

Experience the thunderous roar and almighty power of Niagara Falls. Take a cruise right up to the foot of the falls, walk behind the falls to feel the amazing mist or fly over the falls for a bird's eye view. (see pages 44 and 46 for details)

### 10. French Canada

Experience the European charm of the province of Québec. Let the picturesque, meandering streets of Montréal and Québec City lead you on a discovery of galleries, restaurants and historic sites. # Canadian Rockies

Jasper National Park

Mother Nature dealt its winning hand to the legendary Canadian Rockies. Flanking the province's western edge with its serrated peaks, this mighty patchwork of mountains, national parks, emerald lakes, charming villages and wilderness can hold its own in the most exalted mountain company. For most visitors, the Rockies mean national parks – namely Banff, Jasper and Waterton. All facilities for visitors are well developed in these hubs. Elsewhere there's nothing but wilderness – yours to explore by horse, foot, bike, raft or helicopter.

Canada's first incorporated municipality to be housed within a national park makes Banff a unique place to visit. Surrounded by rugged peaks, canyons, hot springs and alpine meadows, Banff boasts a magnificent natural setting. What's more, it also has a fantastic cultural scene. Renowned for its performing arts, galleries and international festivals, Banff really is a special place to visit.

The jewel of the Rockies, Lake Louise is surrounded by magnificent mountains and features an incredible lake with the picturesque Victoria Glacier as a backdrop. Also home to some of the best hiking trails in the Rockies, Lake Louise is a favourite for adventure-seekers.

Jasper is a picturesque little village, peacefully nestled in the heart of Jasper National Park. It's a fantastic base for experiencing a whole range of outdoor activities such as skiing, trekking, rafting and much more. If you're a golfer, the course at Jasper Park Lodge is among the most noted in Canada.

They consist of arranging and co-ordinating travel, entertainment and accommodation facilities and services, and making bookings, issuing tickets and issuing vouchers to be redeemed by suppliers.
- 1.2 We undertake to perform these services with reasonable care and skill. We will not be liable for any loss or damage, or loss of enjoyment which result from the act, default or omission of any person other than ourselves or employees, or any cause beyond our control. This includes (but is not limited to) loss, damage or loss of enjoyment which arises directly or indirectly from an Act of God, weather disruptions, dangers incidental to sea, fire, breakdown in machinery or equipment, acts of Government or authorities whether legitimate or not, wars whether declared or not, hostilities, acts of terrorism, civil disturbances, strikes, lockouts, riots, deaths, pilferage, epidemics, quarantines or medical, customs or immigration or emigration regulations.
- 1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:
  - Any booking made directly with a service supplier by your travel agent or by yourself direct; or
  - Any services which are not provided by us and which are additional to those described in this brochure.
- 1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

## 2. Supply of Travel, Entertainment, Accommodation

- 2.1 Service and Facilities
- 2.2 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.3 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
  - GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
  - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
  - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
  - All facilities or services described by us are subject to availability from the Supplier.
  - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

## 3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

## 4. Information in the Brochure

- 4.1 This brochure was published on 28 February 2017 and is valid for services used 1 April 2017 – 31 March 2018 unless otherwise advised. Exchange rates used when costing this brochure are as at 21 February 2017.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.

- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.

- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.

- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

## 5. Prices

- 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.

## 6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

## 7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

## 8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
