## Accommodation Ratings

Diamond ratings are used throughout the brochure to describe the standard of accommodation. Properties featuring Diamond symbols do not participate in a recognised rating scheme. The rating is supplied by the individual property based on their own assessment. We recommend they be used as a guide only.

- ◆◆ Budget standard of accommodation
- ◆◆◆ Comfortable standard of accommodation
- ◆◆◆◆ Superior standard of accommodation and facilities
- ◆◆◆◆◆ Deluxe standard of accommodation and facilities
- ◇ Denotes additional half rating

## Pricing Guide

The prices featured in this brochure are intended as a guide. The prices have been calculated using the lowest available daily price at the time this brochure was produced and may change due to exchange rate fluctuations, availability, taxes or seasonal surcharges.

Prices featured in accommodation listings are per person twin share for the period specified unless otherwise stated. The "From" price has been calculated using the lowest nightly rate available, i.e. lead-in room type in off-peak season including free night offers if applicable, even if that offer is only available for part of a season. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Ask your travel agent for the best price available, other room types or travel dates.

## What the Symbols mean

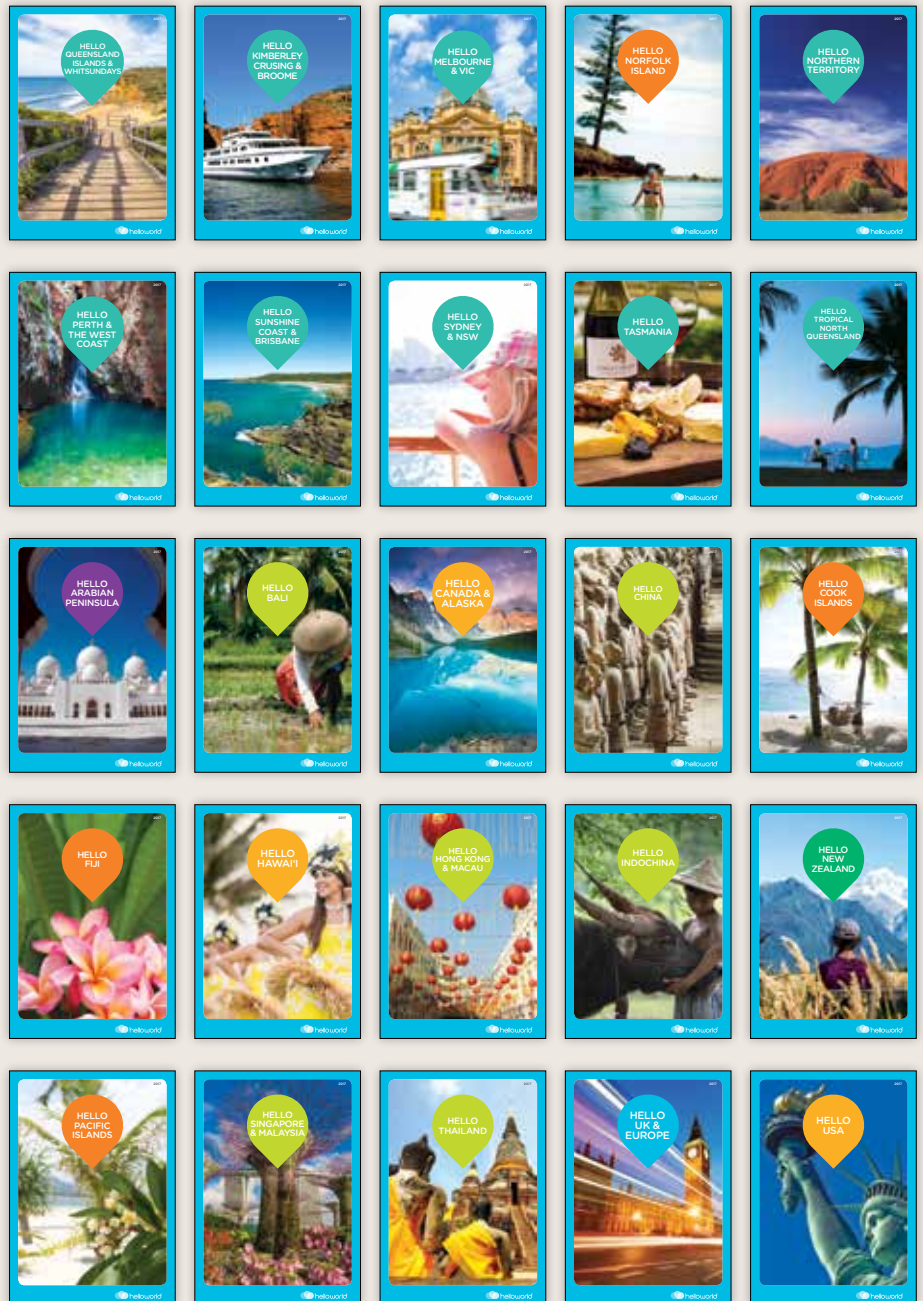

-  Properties offering free Wi-Fi access throughout the common areas and in rooms.
-  Properties offering in-room disabled facilities.
-  Properties offering facilities catering for families which may include kids' clubs, family rooms, child menus, highchairs and cots.
-  A special bonus offer (e.g. sparkling wine) is available if you are celebrating your honeymoon. Details must be provided at the time of booking.

# Top 10 Things To Do

## 1 Small Ship Cruising

2 South Sea Island

3 Kayaking

4 Zip Lining

5 Fijian Meke

### 1. Small Ship Cruising

The Mamanuca and Yasawa Islands are beckoning and one of the best ways to see them is on a cruise. Small cruise ships can negotiate reefs and remote islands with ease allowing you to snorkel from the ship or go ashore to visit a local village. (see pages 22 and 23 for details)

### 2. Island Day Cruises

Cruise from Denarau Marina to South Sea, Castaway, Robinson Crusoe and Tivua Islands. Escape for the day and swim in the crystal clear water, snorkel fringing reef and explore these stunning Fijian islands. (see pages 28 and 29 for details)

### 3. Watersports

Resort towns and islands offer a seemingly endless selection of watersports in the beautiful warm waters of Fiji. Have a go at jet skiing, kayaking, parasailing, windsurfing, fishing, stand-up paddle boarding, surfing and so much more! (see pages 27 and 28 for details)

### 4. Adventure Experiences

If you're an adrenalin junkie, you'll love what's on offer in Fiji. Glide through the treetops zip lining, get dirty quad biking, dive with sharks or admire the spectacular views on a helicopter flight. (see pages 27 and 29 for details)

### 5. Enjoy a Fijian Meke and Lovo Feast

Be entertained by a traditional Fijian Meke ceremony of singing and dancing. Performers wear traditional costume and the meke can range from a graceful fan dance to a blood-curdling spear dance. Sample a traditional Fijian Lovo Feast, cooked in an underground oven. Many resorts will

hold a lovo night once a week – Outrigger Fiji Beach Resort hosts a spectacular lovo dinner with an entertaining cultural show. (see page 44 for details)

### 6. Snorkelling and Diving

With over 10,000 square kilometres of underwater coral gardens, Fiji is a sanctuary for snorkellers and divers. The Mamanuca and Yasawa Islands are great spots for viewing colourful coral and tropical fish, while the diving off Rakiraki is arguably some of the best in the region. Learn to free-dive and swim with manta rays on Mantaray Island. (see pages 14, 27 to 29 and 69 for details)

### 7. Firewalking Ceremony

Marvel at this ancient Fijian ritual as firewalkers walk across red-hot stones and come away with their feet unscathed. You can see this traditional art form still practiced in the villages on Beqa Island, the birthplace of firewalking.

### 8. Blue Lagoon

Found in the Yasawa Islands, the famous Blue Lagoon area is the most stunning you'll ever see. All shades of blue are surrounded by crisp white sand and soft rolling peaks of green. The movie 'Blue Lagoon' was filmed here and you'll soon see why they chose this beautiful spot. (see pages 22 and 23 for details)

### 9. Village Visits

Visit authentic Fijian villages and get a glimpse of the unique culture. Take part in a traditional kava ceremony, meet smiling children and see handicrafts being made. You can even volunteer in the remote villages, assist in education initiatives and become part of a village community. (see pages 19 to 21 and 30 for details)

### 10. Fijian Caves

Become a cave explorer and enter the surreal underground chambers that meander throughout Fiji. Jump on an off road safari through the Sigatoka Valley and visit Fiji's largest cave system at Neihehe Cave. Discover the majestic limestone caves of Sawa-I-Lau, hidden within a tiny island in the Blue Lagoon, see ancient formations carved by waves and snorkel the coral reefs in the area. (see pages 19, 21, 22 and 30 for details)

## Abaca Village Early Learning Centre Building Project

Education is synonymous with sacrifice for many interior communities in Fiji because students as young as five must leave their families to access education. Students in remote communities attend regional boarding schools because it simply isn't feasible to operate a school in each village. Most educators agree, this is not an age-appropriate experience for kindergarten or early learning students as they are too young.

GO Holidays along with our ground handler in Fiji, ATS Pacific and Tourist Transport Fiji are proud to be working with local organisation Rise Beyond the Reef to support Abaca village in building an Early Learning Centre within the village.

Abaca village is located within the interior of the Koroyanitu Range about an hour from Nadi. Close to 20 children, ages 3 to 6 are in need of access to early childhood learning opportunities, but lack access to programming within their community. The support offered by GO Holidays will result in the building and resourcing of the Early Learning Centre, which will be operated by our partner Rise Beyond the Reef in conjunction with the Ministry of Education.

GO Holidays, ATS Pacific and Tourist Transport Fiji are proud to be associated with such a worthy project in a truly unique and special area of Fiji.

If you'd like to visit Abaca village as part of your stay in Fiji, please contact Tourist Transport Fiji on 0800 6720455.

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

## 8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

## 9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

## 10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

## 11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

## 12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

## 13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

## 14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

## 15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
