Pricing Guide

The prices featured in this brochure are intended as a guide. The prices have been calculated using the lowest available daily price at the time this brochure was produced and may change due to exchange rate fluctuations, availability, taxes or seasonal surcharges.

Prices featured in accommodation listings are per person twin share for the period specified unless otherwise stated. The "From" price has been calculated using the lowest nightly rate available, i.e. lead-in room type in off-peak season including free night offers if applicable, even if that offer is only available for part of a season. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights.

Ask your travel agent for the best price available, other room types or travel dates.

French Polynesia stirs up a state of romance, adventure and pure escape. With over 118 islands spread over five archipelagos, French Polynesia evokes a sense of mystery due to its remote location in the South Pacific.

The main island of Tahiti is the gateway to French Polynesia. The best markets in the South Pacific are in Papeete, where everything from local fish and fruit as well as traditional arts and handicrafts can be found.

Also in Papeete are chic boutiques and a wide selection of products including black pearl jewellery, woven handbags and traditional pareos painted in bright colours. For the more adventurous there is so much on offer. Scuba dive or snorkel at one of the many dive sites, cruise around the harbour, discover the lagoon by kayak or try your hand at surfing. Discover the Papenoo Valley by quad bike, take a horseback ride or paddle in a Polynesian style outrigger canoe.

The picturesque island of Moorea is set on a crystal clear lagoon with lush green mountains towering overhead. There are many activities to try on the lagoon including water skiing, jet skiing and parasailing. Explore the waterfalls, valleys and the Oponou and Cook's Bays or witness the impressive fish and ray feeding demonstrations.

The 'Pearl of the Pacific', Bora Bora has one of the world's most beautiful lagoons. Dive the clear, warm water to witness a large array of multi-coloured fish, manta rays, sharks and wrasses. It's the perfect island for romance. Enjoy your own private paradise by staying in a unique overwater bungalow. Venture outside and relax on the white sandy beaches or on a small island on the outer reef.

Savai'i

The ten islands of Samoa could easily be your top ten must see destinations of the Pacific Islands. Each of Samoa's islands offer something different. See rugged volcanic peaks one day, sparkling lagoons and beaches the next.

The main islands are the ideal spot to perfect your leisure pursuits. Stroll bush trails among the national parks of Upolu. You can't go past the scenery, with lava cliffs that front the ocean and views of the Pacific from Mt Alava. At Piula Cave, swim in an incredible freshwater pool right on the oceanfront or head to the Aleipata district for swimming, snorkelling and even more beachside relaxation. Take a trip to the village of Lotofaga on Upolu, home to the To Sua Ocean Trench. Plunge into the 30 metre deep crater which is filled with crystal clear sea water. At the northern end of Upolu, you can explore the harbour town of Apia, Samoa's capital. Discover the sites and attractions of Apia. Visit the Robert Louis Stevenson Museum and learn about the famous Scottish poet and author. See some of his work and family memorabilia, which are on display. Wander through some of Apia's many markets. Pick up some traditional handicrafts at the Savalalo Flea Market or sample fresh local produce at the Fugalei Fresh Produce Market.

Those with an appetite for adventure will love Savai'i. This largely uninhabited island will fascinate with its incredible scenery. A roaring jetstream shoots hundreds of metres into the air at the Alofaaga blowholes. At Afu Aau Falls, bathe in a secluded waterhole deep in the jungle. Want more? Seek out the Pulemelei Step Pyramid, a mysterious monument of ancient Samoa. Take the opportunity to swim with green turtles at the wetland sanctuary at Satoalepai village. Top it all off with a hike through old plantations and untouched rainforest to volcanic craters that spread lava across the island a century ago. Samoa will leave you with memories for life.

Our Favourites

Go swimming in the cool spring water at Piula Cave Pool, in Lufi-Lufi

Dive into To Sua Ocean Trench, a natural swimming hole

In Saleilua enjoy a picnic overlooking Togitogiga Falls

Visit Robert Louis Stevenson's home and museum

Relax on Upolu's Lalomanu beach

TIPPING AND ETIQUETTE

Tipping is not practised or expected, however it will not cause offense. A small gift is just as welcome as a monetary tip for good service. Bargaining is not practised. Bathing suits should not be worn in Apia or in villages.

LANGUAGE

Samoa is the official language. Most people also speak English, which is the language used in business.

If your idea of a South Pacific holiday mixes island relaxation with once-in-a-lifetime adventures, then Vanuatu is for you. Villagers open their communities with a welcome that's as warm as the tropical sun. Dine on traditional food, dance to the music of string bands and join villagers in kava drinking as the sun goes down. Master the art of relaxation at day spas or golf the island way on white sand and waterfront.

A harbour city lifestyle of restaurants, watersports and market shopping greets you at Port Vila. Scuba diving, fishing or just strolling on the beach are all enjoyable activities in the Vanuatu capital. If the mood strikes you, walk to the top of Klems Hill, stopping off for a dip in freshwater pools along the way.

One of the more traditional areas, Tanna Island is a haven of adventure and intrigue. Peer into the fiery rim of Yasur volcano. And since you're on an island, you have to take advantage of the water. Swim in underwater caves, snorkel the coral reef or trek inland to incredible waterfalls.

Just when you think you've found the best beaches, more islands challenge your view. Espiritu Santo is a little-known paradise for world class diving, while the island of Pentecost fascinates with its culture. See local tribesmen jump from bamboo towers with vines tied to their ankles between the months of April and June. It's just one of the experiences that makes Vanuatu so exciting.

Vava'u

Tonga is a kingdom of white sandy beaches, coconut groves and some of the best fishing in the South Pacific. Make your way around each of the three main island groups for some incredible island experiences. You could find yourself snorkelling with Humpback whales, taking in a traditional dance performance or gaining insights into the local culture with a visit to the local market in each island group.

Tongatapu Island is fit for a king – literally. The royal family lives here in the capital Nuku'alofa. Ready to explore? Seek out the mysterious Ha'amonga a'Maui Trilithon, known as the 'Stonehenge' of the South Pacific. Discover the Anahulu cave, a stalactite cave with an underground swimming pool. Head south to take in the spectacle of the Mapu'a 'a Vaca blowholes.

In the water, snorkelling among coral islands is an unforgettable experience. Divers enter a whole other world at the Ha'apai Islands. Come across whales as you dive among coral reefs or see them from the surface as you kayak through uninhabited islands. The volcanic scenery of Kao and Tofua makes for some spectacular views.

Not to be outdone, the third main group, the Vava'u Islands, are picturesque at every turn. Visitors come from all around to sail tranquil waters among coral reefs. Protected coves make for perfect diving. Find restaurants and bars on Neiafu or stay on the quieter islands where you can master the art of lazing in the sun.

Limu Beach

The best kept secret of the South Pacific is Niue. Leave the hustle and bustle behind and discover this charming island with its warm and welcoming locals. Niue lays claim to being one of the safest countries in the world.

The island is a raised atoll so there are plenty of underwater caverns, tiny swimming coves and colourful reefs to discover. Dive the crystal clear water and witness the vast array of marine life including turtles, dolphins, fish and whales when in season. Swimming with whales and dolphins is another unique experience and one not to be missed while on Niue. If you are not brave enough to swim with them, you can watch safely from the shore. The Humpback whales shelter in the bays and coves around the island so there is no need to chase them, they practically come to you!

Walk through the beautiful rainforest and admire the abundant native bird and plant life. Spend the day hiking the rugged landscape to Togo Chasm. Or take a picnic lunch to Limu and enjoy the day swimming and snorkelling in the many pools. After a day of adventure, relax with a drink at a beachfront bar and take in the breathtaking scenery that surrounds you.

1. Our Services and Obligations

- 1.1 The services within this brochure are supplied by the wholesaler GO Holidays, a division of Helloworld NZ. They consist of arranging and co-ordinating travel, entertainment and accommodation facilities and services, and making bookings, issuing tickets and issuing vouchers to be redeemed by suppliers.
- 1.2 We undertake to perform these services with reasonable care and skill. We will not be liable for any loss or damage, or loss of enjoyment which result from the act, default or omission of any person other than ourselves or employees, or any cause beyond our control. This includes (but is not limited to) loss, damage or loss of enjoyment which arises directly or indirectly from an Act of God, weather disruptions, dangers incidental to sea, fire, breakdown in machinery or equipment, acts of Government or authorities whether legitimate or not, wars whether declared or not, hostilities, acts of terrorism, civil disturbances, strikes, lockouts, riots, deaths, pilferage, epidemics, quarantines or medical, customs or immigration or emigration regulations.
- 1.3 We are not able to exercise control over services we do not supply directly, therefore we will not be responsible for any loss or damage arising from:
 - Any booking made directly with a service supplier by your travel agent or by yourself direct; or
 - Any services which are not provided by us and which are additional to those described in this brochure.
- 1.4 We will endeavour to provide the most suitable travel arrangements to meet the particular requirements you make known to us. However, travel is an individual experience, and your preferences and opinions may vary from our own. For this reason, we cannot take responsibility for your individual satisfaction, neither can we take responsibility for weather nor for compatibility of fellow guests or staff during the course of your travel.

2. Supply of Travel, Entertainment, Accommodation

- 2.1 Service and Facilities
- 2.2 When we make bookings with the providers of travel, accommodation, entertainment, activities, facilities or services ("the Suppliers") we are acting as a booking agent for the Suppliers.
- 2.3 All travel, entertainment, activities, and accommodation facilities or services are supplied directly to you by the Supplier. We have no control over the facilities or services themselves, or the manner in which they are provided by the Suppliers. Therefore you should be aware of the following conditions:
 - GO Holidays Limited will not be liable for any loss or damage of any kind that may arise from your use or consumption of, or inability to use or consume those facilities or services.
 - The provision of those facilities or services is subject to the terms and conditions of your contract with each Supplier.
 - Where for any reason, a Supplier is unable to provide particular facilities or services, then that Supplier may be entitled, under its contract with you to substitute those services or facilities with comparable or equivalent facilities or services without incurring any liability to you. You should check your contract with each Supplier.
 - All facilities or services described by us are subject to availability from the Supplier.
 - GO Holidays Limited will not be liable or responsible for any loss or damage relating to your baggage, personal possessions, health or welfare, or delays or travel disruptions unless these arise directly from the service we provide to you.

3. Business Purposes

You agree that where our services are acquired for business purposes, or where you hold yourself out as acquiring our services for business purposes, the Consumer Guarantees Act 1993 will not apply to any supply of goods or services made under these conditions, and we will not be liable or responsible for any loss or damage of any kind to you, including any consequential loss or damage however it may be caused.

4. Information in the Brochure

- 4.1 This brochure was published on 2 February 2017 and is valid for services used 1 April 2017 – 31 March 2018 unless otherwise advised. Exchange rates used when costing this brochure are as at 11 January 2017.

- 4.2 While we have exercised reasonable care and skill to ensure that the contents of this brochure are correct, accurate, and up-to-date at the time of publishing, please note that the contents of this brochure are based on information supplied to us by the Suppliers. We do not have, and cannot be reasonably expected to have, personal knowledge about all the facilities or services provided by each Supplier.
- 4.3 Facilities or services may change after the date of publication. We endeavour to keep travel agents informed of any changes to information in this brochure that are brought to our attention. Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.
- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.
- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.

5. Prices

- 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.
- 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
- 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
- 5.4 All prices exclude travel agent service fees.

6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.

PLEASE READ THESE CONDITIONS CAREFULLY

The guarantees under the Consumer Guarantees Act will apply to services supplied by us except where they are acquired, or are held out as being acquired for business purposes.
