Accommodation Ratings

STAR and Diamond ratings are used throughout the brochure to describe the standard of accommodation.

STAR RATINGS Properties featuring the Star symbols are independently assessed by Star Ratings Australia (SRA). SRA is a stand-alone accreditation business and a subsidiary of Australian Motoring Services (AMS). The Stars and the Star Ratings are a registered trademark of AMS. We have no input into the assessment process.

DIAMOND RATINGS Properties featuring Diamond symbols do not participate in a recognised rating scheme. The rating is supplied by the individual property based on their own assessment. We recommend they be used as a guide only.

Pricing Guide

The prices featured in this brochure are intended as a guide. The prices have been calculated using the lowest available daily price at the time this brochure was produced and may change due to exchange rate fluctuations, availability, taxes or seasonal surcharges. Prices featured in accommodation listings are per person twin share for the period specified unless otherwise stated. The "From" price has been calculated using the lowest nightly rate available, i.e. lead-in room type in off-peak season including free night offers if applicable, even if that offer is only available for part of a season. A minimum stay is generally required. Where prices for more than a one night stay are featured, the prices refer to stays of consecutive nights. Ask your travel agent for the best price available, other room types or travel dates.

Spirit of Tasmania

Drive straight to Tasmania.

Whether you're planning an adventure with the family, or a weekend getaway with a loved one, taking your car on the newly refurbished Spirit of Tasmania is the best way to discover the Apple Isle. With the only luggage restriction being your car's capacity, you can strap a surfboard to the roof, pack the golf clubs, hiking boots and even bring the fishing rod. Vehicles with trailers are accommodated and cyclists can conveniently bring their bikes as well. Kennels can also be booked so pets don't need to miss out on all the fun.

While on board sit back, relax, and enjoy Bass Strait's beautiful ocean views. There is a restaurant, bars to relax in and two cinemas showcasing latest release movies. The kids (and kids-at-heart) will love the Game Zone and adults can test their luck in the gaming lounge. On day sailings there are activities and performances for kids and a great line-up of live music.

When it's time to turn in, there are accommodation options to suit all budgets. Relax in secluded comfort in a Deluxe Cabin or a Twin or Four Bed Cabin. All cabins come fully equipped with their own private ensuite, air conditioning/heating and bedding. Recliners are also available and are a great, low-cost alternative.

Hobart & Southern Tasmania

Hobart

Hobart

Hobart is the perfect contradiction between old and new, making it the ideal home for the internationally acclaimed Museum of Old and New Art (MONA). Take Salamanca Place for example, where many visitors are surprised to discover the number of chic restaurants and wine bars housed within the historic sandstone warehouses.

Hobart encompasses everything we love about Tasmania. It's a city that's come of age with its vibrant contemporary art, culture and dining scene. And then there's the incredible harbour that entices locals and tourists to its waters; where fishing, kayaking, sailing and relaxing are common pastimes.

If you love seafood, Hobart will have you hooked! Salamanca Market is an explosion of colour and flavour, a fresh array of local produce with an eclectic market buzz.

With so much fresh fare, Hobart's chefs are spoilt for choice, and so are you. North Hobart's renowned restaurant strip is a gourmet dream, and the surrounding wine country rates highly too.

Southern Tasmania

Hobart's hard to leave, but Richmond beckons and this picture perfect town will draw you in with its 19th century Georgian buildings. Richmond is also home to Australia's oldest bridge, gaol and Catholic Church. Step outside the city to the Coal River Valley, Derwent Valley and Huon Valley wine regions and sample some of Tasmania's best wines while taking in the most picturesque settings.

South of Hobart is fabulous Bruny Island. Beautiful beaches, tall cliffs and lush countryside make this a tranquil yet unpredictable place. Your taste buds will be teased and tempted with a variety of paddock to plate style produce from artisan cheeses, oysters and more.

Travel on to Huonville, where more than half of Tasmania's apples are grown. This is orchard central, bursting with plums, cherries, pears and apricots – all celebrated at the annual Taste of the Huon festival every March.

Ever walked through the treetops? Well you can at Tahune AirWalk, a 619 metre walkway set above the Tahune Forest Reserve. It is also home to the world's tallest flowering plant.

Port Arthur

World Heritage Listed Port Arthur Historic Site is a Tasmanian landmark dating back to 1830 as a penal settlement, and it's a place that remains eerie yet beautiful. The site has over 30 buildings, ruins and restored period homes set in 40 hectares of landscaped grounds. Allow plenty of time to fully experience all that Port Arthur has to offer. While you're in the area, take an eco cruise to see abundant marine life and the spectacular coastline of the Tasman Peninsula.

Our Favourites

- Journey out through Hells Gate on a Gordon River Cruise
- Enjoy a sundae at the Christmas Hills Raspberry Farm
- Cruise across Lake St Clair
- Visit Stanley and climb The Nut
- View the murals at Sheffield
- Sample delicious, creamy cheeses at King Island and continue to tempt your taste buds along the Cradle to Coast Tasting Trail

It's another world in North Western Tasmania, and one certainly worth a visit. There is a tranquillity here that's unique to the region; arts and craft artisans really shine, and the red earth produces wonderfully fresh produce that is craved across Australia. Breathe in some of the world's cleanest air, savour a mouthful of locally grown berries or cruise through the ancient wilderness.

The rich farmland of the North West is as beautiful as it is bountiful, so take your time to travel along the Bass Strait from Devonport to Penguin, Burnie and Wynyard, through to coastal Stanley and Marrawah. The charming village of Stanley lies in the shadow of the ancient volcanic plug known as The Nut. Climb to the top via the track or take the chairlift. Either way, once you make it to the top the view will take your breath away.

Tasmania's wild west is what everybody talks about, and deservedly so. Here lies some of the most spectacular wilderness on the planet. Arguably, the most famous of which is Cradle Mountain, the reflection of which can be seen in the cool, still water of Dove Lake. This is a landscape of steep gorges, wild rivers, and dense forest. At the southern end of Cradle Mountain is Lake St Clair, Australia's deepest freshwater lake. Canoe, walk, fish, or just enjoy the beauty – the choice is yours.

The coastal town of Strahan is the gateway to Tasmania's glorious World Heritage Listed Wilderness, which you can experience on a cruise or on foot. The Gordon River cruise will take you to Macquarie Harbour and Sarah Island, a place rich with convict era history. Further north you will find the Tarkine, the largest tract of temperate rainforest in Australia.

Launceston & Northern Tasmania

Choosing a base in the centre of northern Tasmania is simple: it has to be Launceston. Here you can eat, drink and be merry. This is a city that prides itself on its artisans, including chefs, wine makers, farmers and fishermen who all share a passion for local produce.

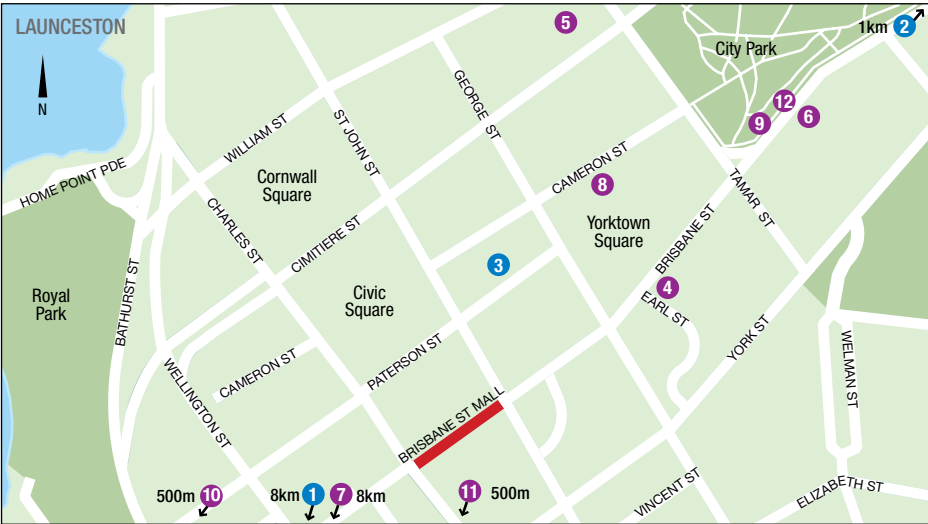

Let's start with Launceston's most fantastic attraction just 10 minutes from the city centre, Cataract Gorge. Explore rock-walled walking trails and marvel at the South Esk River travelling through the gorge. Cross over the suspension bridge, take the chairlift ride across the river or for another perspective of the gorge, take a relaxing cruise.

Launceston is where all the produce grown and made in the region is available for you to enjoy in restaurants, delis and cafés. If you prefer to get your gourmet fare direct from the source, that's easy! Travel the Tamar Valley Wine Route through fields of lavender, strawberries and grapes. Take a tour of Boag's Brewery – one of Launceston's most famous exports.

Just outside Launceston, step back in time at historic Longford – home to World Heritage Listed Woolmers and Brickendon Estates. Evandale is another nearby quaint Georgian village with a weekly Sunday market and host of the annual National Penny Farthing Championships in February.

King Solomon and Marakooa Caves, both near the town of Mole Creek, showcase glow worms that twinkle, to the delight of visitors, and highlight the incredible caves in which they live.

If adrenalin is more your forté don't miss Hollybank Treetops adventures, only 15 minutes from Launceston. Get high in the tree tops and fly like a bird. If you prefer relaxation, then plan an afternoon cruising the Tamar River.

East Coast

Household names abound along Tasmania's East Coast: the Bay of Fires, Freycinet National Park, Wineglass Bay and Maria Island – they're all here for your enjoyment, and they're all equally spectacular. It's postcard-perfect scenery at the Freycinet Peninsula. See the peaks of the Hazards, crystal clear water and white sand. Hike up Mt Amos for a supreme bird's-eye view of this paradise.

Seasoned travellers who think they've seen it all quickly change their tune when it comes to the Bay of Fires. With its white beaches, blue water and granite boulders splashed with orange lichen, this 30 kilometre stretch along the north east coast is just the ticket to the holiday of a lifetime. Maria Island is also a very special place and only accessible by ferry from Triabunna. The island is renowned for its stunning natural beauty, wildlife and convict history. Climb Bishop and Clerk for amazing views.

There are also great holiday towns dotted up and down the East Coast – St Helens, Bicheno, Swansea and Coles Bay to name a few. Each has plenty to keep you occupied including cafés, restaurants, and boutiques including popular spots such as Kate's Berry Farm, Pyengana Dairy and Freycinet Marine Farm. Fishing ports Bicheno and St Helens, are also an angler's dream, and divers reckon these spots are pretty special too. The pristine underwater environment spurs kelp forests and abundant fish life.

- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
