Accommodation Ratings

STAR and Diamond ratings are used throughout the brochure to describe the standard of accommodation.

STAR RATINGS Properties featuring the Star symbols are independently assessed by Star Ratings Australia (SRA). SRA is a stand-alone accreditation business and a subsidiary of Australian Motoring Services (AMS). The Stars and the Star Ratings are a registered trademark of AMS. We have no input into the assessment process.

DIAMOND RATINGS Properties featuring Diamond symbols do not participate in a recognised rating scheme. The rating is supplied by the individual property based on their own assessment. We recommend they be used as a guide only.

Stroll along famous Four Mile Beach

Enjoy dinner at one of the many restaurants along Macrossan Street

Join those in the know and head to one of Tropical North Queensland's best destinations, Port Douglas. While only an hour's drive north of Cairns, Port Douglas feels like a world away. The weather is beautifully warm year round, so it's the perfect place to escape cooler climates.

The coastal road north is known as the Great Barrier Reef Drive and is one of the most scenic routes in Australia, offering glimpses of the gorgeous Coral Sea as you travel through lush rainforest. Port Douglas is the ideal base for discovering the wonders of the Great Barrier Reef or venturing deep into the Daintree Rainforest and Cape Tribulation.

Enjoy stunning views from Flagstaff Hill Lookout and take a barefoot stroll along palm fringed Four Mile Beach before relaxing in one of the many restaurants, cafés and bars along Macrossan Street.

For a holiday full of surprises, check out the Port Douglas Carnivale in May, which sees the town take on a 'Rio' vibe with music, exhibitions and parades. Things liven up again for Portoberfest, the Far North Queensland Beer Festival in October. It's best to book well in advance for these periods to guarantee yourself a seat at the party table.

Cape York

Our Favourites

Stand at the northern most point of mainland Australia – Cape York

Hire a boat and explore the Torres Strait

Swim in the pristine waters of Fruit Bat Falls and Twin Falls

Try your luck fishing for Barramundi in Weipa

Cape York Peninsula is truly Australia's last frontier – 115,000 square kilometres of untamed wilderness and rainforest, sacred Aboriginal sites and rugged mountains that can't be seen anywhere else. Fish for Barramundi, get involved in turtle conservation or follow in the footsteps of Australia's early explorers. Visit ancient rock art sites, memorable pubs and spectacular natural scenery. And of course, you can't miss standing on the tip of mainland Australia.

Drive along red outback roads and make your way to the mining town of Weipa and relax overlooking the Gulf of Carpentaria. One of the best spots for fishing is in Weipa as it has the perfect coastal location and the fish are plentiful. Learn about Aboriginal culture and discover authentic Aboriginal artwork at the Western Cape Cultural Centre.

Next on the itinerary are the small Aboriginal coastal communities of Bamaga and Seisia. Walk along the jetty in Seisia or hire a boat and explore the fascinating Torres Strait. Take the ferry over to Thursday Island, a three square kilometre patch of paradise. HIGHLIGHTS:

- Mount Isa Rodeo
- Outback at Isa • Hard Times Mine

The Mount Isa Mines Rotary Rodeo is part of the Australian Professional Riders Association circuit and has been Australia's premier rodeo event since 1959. Held annually during August, this three day event is where the romance of the Australian Outback meets the grit of a mining town.

See the best Australian and International cowboys and cowgirls go head to head with the toughest stock for three days of world class rodeo action. Rodeo events include:

Bull Riding

The rider holds on with one hand and must stay on the bucking bull for eight seconds. Both animal and rider are judged – the rider on their style and the bull's ability to buck the rider before the buzzer.

Bareback Bronc

With only a leather pad and a handle, the rider must hold on with one hand for eight seconds. As the horse bucks, the rider jerks their feet towards the wither, snapping them back into position in front of the shoulder ready for the next jump and is judged on their spurring action.

Saddle Bronc

As the rider leaves the chute, they must synchronise their spurring action with the horse's bucking and stay on for eight seconds. The rider is judged on style and spurring action and disqualified if they touch the horse or equipment with a free hand.

The 4 Day Mount Isa Rodeo Experience package ensures you four days of adrenalin packed rodeo entertainment with guaranteed Gold seating. You will enjoy everything the Mount Isa Mines Rotary Rodeo has to offer!

Witness this spectacular event from a prime viewing position opposite the chutes with an allocated seat, so you won't miss a minute of the action! Get a cowboy's eye view at what goes on during a rodeo event from behind the chutes on a fully guided tour, then climb the stairs to the announcers box and take in the vista looking back toward the crowd, any closer and you'd be on the bull!

Take the opportunity to visit the famous Outback at Isa and go deep under the earth for a hands on experience at mining and explore ancient fossils. Includes an underground mine tour, entry to Riversleigh Fossil Centre, 'Art on Alma' and the "The Isa Experience" museum.

Prior to booking your ticket, you should ask your travel agent about any changes to the published information of which your agent may be aware. You should also make sure that if your travel agent is advised of changes that occur after booking, your travel agent is able to contact you.
- 4.4 All maps, illustrations and photographs are for indicative purposes only and may not necessarily reflect actual places or positioning.
- 4.5 Accommodation must be consecutive at the same hotel to qualify for free nights. Important: Hotels have the right to change conditions e.g. 5th night free. Bonus offers: e.g. free upgrade or late checkouts are subject to availability at time of stay.
5. Prices
 - 5.1 All prices shown in this brochure are on a per person basis unless otherwise stated and are expressed in New Zealand dollars. Vehicle rates are per vehicle.
 - 5.2 Events beyond our control, such as currency fluctuations, changes to the price of aviation fuel or changes to the cost of services and facilities may result in the prices charged to you being different.
 - 5.3 It must be understood that if for any of the reasons mentioned in Clause 5.2 price increases or variation of terms are notified to us between the time of booking and departure, we reserve the right to vary the price to you up to the time of your departure.
 - 5.4 All prices exclude travel agent service fees.
 - 5.5 Conditions of carriage: Full Queensland Rail Travel terms and conditions may be obtained from GO Holidays. By booking train travel through GO Holidays you agree to be bound by Queensland Rail Travel's conditions of carriage.

6. Payment

- 6.1 A deposit of \$100 must be paid to your travel agent within seven (7) days of verbal or written confirmation of booking request. Certain Suppliers may also require an additional booking fee or deposit to be paid.
- 6.2 A booking requested less than seven (7) days prior to departure may incur communication charges.
- 6.3 Final payment shall in all cases be made not less than 30 days prior to departure. In some cases the terms of the tour or travel may require full payment at an earlier date. In that case you will be advised at the time your booking is processed.
- 6.4 Credit Card not permitted unless travel agent acts as merchant.

7. Amendment or Cancellation

- 7.1 If you wish, or circumstances require you to amend or cancel your booking for any reason, you should advise us in writing through your travel agent at the earliest possible time.
- 7.2 Where you cancel any booking more than thirty (30) days prior to your departure you are likely to have to pay a fee. A cancellation fee of \$200 will be imposed where cancellation is made within thirty (30) days prior to your departure, plus any suppliers charges as per note 7.3. Please refer however to Clause 7.6 for special conditions in some cases.
- 7.3 The above cancellation fees are required to offset booking, communication and administration charges that will have already been incurred by us. In addition to our cancellation fee, you may also be required to pay cancellation fees imposed by our Suppliers (i.e. airlines, hotels, etc.) The amount of each Supplier's cancellation fee is beyond our control, and payment is solely your responsibility. You should check with your travel agent concerning the amount of a Supplier's cancellation fees.
- 7.4 To the extent that we are able to do so (bearing in mind we are dependent upon third party availability beyond our control) we will be pleased to incorporate any reasonable changes you request. An itinerary change may attract a fee similar to cancellation fees in Clause 7.2 above to cover our administration costs.
- 7.5 Some Suppliers may reserve the right to cancel or amend travel, accommodation, etc and GO Holidays must therefore reserve similar rights to cancel or amend any holiday arrangements.
- 7.6 There are cases where the terms of supply as to refundability of pre-payments require provisions different from the above. In those cases the conditions specific to your tour will be advised to you at the time your booking is processed.

8. Insurance

We strongly recommend that as a minimum you insure yourself fully against cancellation, disruption, loss of luggage and personal property, and medical expenses. Your travel agent will be able to provide you with further information.

9. Items Not Covered

Unless otherwise specified, the cost of meals, drinks, laundry, telephone calls, insurance, sightseeing tours, local taxes, airport departure taxes, aviation insurance levies and passport or visa application fees are not included.

10. Package Costs

Included in the tour costs are charges for normal booking procedure costs, communication costs, administration, research, printing, etc. Where the land arrangements of holidays are included in a composite package, an itemisation of costs will not be rendered.

11. Visas / Passports

For all holidays in this brochure you will require a valid passport. You are responsible for arranging your own passport, visa and health requirements (including inoculation where applicable). You should check with your travel agent who will be able to provide you with the necessary information.

12. Non-Use of Services or Facilities

If, of your own choice, you decide not to use part or parts of the arranged services or facilities, you will not be entitled to a refund from us (provided we have carried out our service with reasonable skill and care and to your requirements) and you may not be entitled to a refund from any Supplier.

13. GO Holidays Charter for Addressing Problems

In the event that you should strike a problem or you are dissatisfied with some aspect of the services or facilities during the course of your trip, our recommendation is that you take the matter up directly with the supplier of the service at the time, or as soon as practicable in the circumstances. This provides the opportunity to have the matter discussed and investigated on the spot and a remedy negotiated then and there to enable you to continue enjoying your holiday. We have found from experience that it is very difficult (in some countries impossible) for us to obtain redress for you once travel has been completed. If this does not work, we wish to be involved at the earliest possible moment and our commitment is that we will immediately work on resolving the issue to your satisfaction.

14. Health or Disability

Some Suppliers may reserve the right to refuse to carry or accommodate people who, because of a health condition or disability, may require services or facilities to be provided in a special manner or at a certain stage of pregnancy. You should check this with your travel agent.

15. Legal Claims

The laws of New Zealand will govern any claims or legal action in connection with the provision of our services to you. Any claim or legal action against the Suppliers is likely to be subject to the terms of your contract with them, and may be governed by the laws of other countries.
