## THE VIKING WAY

### REINVENTING OCEAN CRUISING

Viking Ocean Cruises was launched to reinvent cruising. Their great-value package includes all your meals in all onboard restaurants, 24-hour room service, WiFi and use of Spa facilities – at no extra charge. There are no casinos, no playgrounds, no kids on board. Aboard Viking's elegant ships, with just 930 guests, you'll enjoy Scandinavian design and spacious verandas with every stateroom. Viking docks centrally and spends more time in port than any other cruise line. Sail into the heart of your destination, where the mega-liners can't, giving you more access and more time to explore. Experience their Culture Curriculum onboard, which brings local history to life with lectures on history and art. Taste vintage wines and enjoy restaurant menus inspired by local cuisine and watch performances featuring folkloric shows and musicians playing regional and classical music.
