EXPERT TIPS

SRI LANKA

The Kandy Esala Perahera also known as The Festival of the Tooth is a grand festival celebrated with elegant costumes and is held in July and August in Kandy, Sri Lanka. It is well worth planning your holiday around that time.

VIETNAM AND CAMBODIA

Consider extending your holiday by adding an extra night to your Halong Bay cruise. This will allow you to sail to further islands and less visited waters and will give you a more privileged insight in the natural beauty and serenity of this amazing natural sight.

MOROCCO

Did you know that Argan oil is produced exclusively in Morocco from an endemic tree which you will often see adorned with goats climbing up into the tops of the trees and nimbly nibbling the fruits. Visit an Argan oil factory during your Morocco holiday and learn about the benefits of this incredible product.

SMALL GROUP TOURS

Peregrine run premium small group adventures across Asia, from Cambodia to Nepal, Azerbaijan to Mongolia. For us, travel means embracing the spirit of adventure through a more immersive cultural journey. We'll take care of the logistics, safety, research and planning, so all you need to do is enjoy yourself! Our accommodation is carefully selected against criteria such as comfort, service, private amenities and location. Each tour includes a night (or two) in at least one 'feature stay' – standout places that provide a unique perspective on a destination, from a heritage Rajasthani palace to a stilt cottage overlooking Myanmar's Inle Lake. Travelling with an intimate group of like-minded travellers (capped at 16 people), you'll spend less time waiting around, and more time seeing the sights.

We start with the highlights, but when the bigger tour groups get back on their coach, your expert guide will help you find more unique, personal experiences. We feel that the best way to see a destination is with the people who live there, which is why we exclusively employ local guides. We spend more time in a destination, so you can explore at your own speed. When we're not cruising on houseboats in Kerala or speeding through the Japanese countryside on a bullet train, we like to travel in private vehicles to reduce travel times. Your comfort, enjoyment and safety are our highest priority. At Peregrine, a premium adventure is an exceptional experience, but never an artificial one. Welcome to a new style of adventure travel.

EXPERT TIPS

VIETNAM

From south to north, Vietnam is a kaleidoscope of wonderful people and picturesque landscapes. Imagine learning the mysteries of the Viet Minh in Ho Chi Minh City or exploring the beautiful lakes and boulevards of Hanoi – and what better way to get to know the locals than to be their guests on a Mekong Delta homestay.

MYANMAR

Asia's beautiful secret is best visited between October and February when the weather is mildest and driest. The monsoon season runs from May to October. The optional sunrise balloon ride over Bagan operates October to March and we recommend booking this when you book your tour due to limited availability.

JAPAN

This is a country steeped in ancient, mythical traditions and modern wonders. Journey around the country like a local, and travel at high speed on the efficient bullet train network. Trace the steps of the Geisha around the alleyways of Kyoto's atmospheric Gion district, sit down with an apprentice Geisha and enjoy some traditional tea and entertainment.

AFRICA AWAITS

So what is Africa really like? This vast continent of diverse landscapes and people is loved by travellers for its wildlife, the stunning sunsets, lush jungles, sweeping savannahs and the smiles; that 'certain something' that gets under your skin and leaves you planning to return the minute you get home. Africa is a feeling; a life changing experience.

With somewhere so spectacularly gorgeous, where do you start? Here we've chosen three of our favourite itineraries and experiences. Firstly on a tailor-made safari in Botswana, where we include 6-star luxury lodges amidst some of the world's most pristine wilderness regions. Next we take you to East Africa, and fly you between safari lodges and camps so you spend more time spotting wildlife than spotting

potholes in the road! And lastly the exotic Indian Ocean island of Madagascar on a small group hosted journey. Travel in good company to this lesser visited African destination, with a host accompanying the group to 'smooth the way' and look after tipping - flights from Auckland are included!

All of World Journeys' tailor-made itineraries can be designed to suit you - your travel style, the time you have, and of course your budget. We'll make sure you're in the right place at the right time to witness the Great Migration, taste the best wines, or catch the Okavango Delta in all its watery glory.

Just see if you don't fall in love with Africa.

As you fly in to each luxury lodge, you'll enjoy one of the most exclusive safari destinations. By day embark on thrilling safaris with expert guides and rangers bringing the wilderness to life, returning to your luxury Sanctuary Lodge or "Camp" each night for gourmet meals, pampered accommodation and tall tales around the camp fire.

EXPERT TIPS

BOTSWANA

The best time for wildlife viewing in Botswana is June to October (dry season) when water levels are lower and wildlife congregate around the water holes and channels to drink. Other seasons also have their highlights - November to December is when all the newborn animals appear, and from January to March the Okavango Delta comes alive with over 400 species of birds.

EAST AFRICA

The prime time to safari in East Africa is July to September (dry season) when massive herds of wildebeest and other plains game are moving in their thousands within the vast Serengeti and the Masai Mara. The Great Migration is actually a 9-month cycle of movement - talk to us about where to go and when to have the best chance of witnessing a spectacular river crossing.

MADAGASAR

Although the tourist infrastructure is not advanced in Madagascar - you won't find a Starbucks or Sheraton here, that is exactly why you should go now before everyone else does! Keep an open mind, and the odd dusty road will be forgotten when you reach an idyllic beach or pristine forest seldom visited by your average tourist.

*Conditions apply. Prices are per person twin share in NZD. Highlights of Botswana: price based on Mar - 14 Jun & 01 Nov - 20 Dec 2017 departures. LOCAL TREASURES

LITTLE CREATURES BREWERY: After you've worked up a thirst walking around Fremantle's famous market place, head to Little Creatures Brewery for a cooling ale. The name was inspired by Talking Heads' Little Creatures album.

STAIRCASE TO THE MOON: Between March -October and when the conditions are just right, visitors to Broome are treated to

this natural phenomenon. This spectacle occurs when the full moon rises over the exposed mud flats of Roebuck Bay creating an optical illusion of a staircase to the moon.

LOOK OUT OF THE LUPINS: When you're travelling in the Mt. Cook region in spring/summer, witness a rich carpet of wild flowers, the Russell lupins. The flowers are pea-like and come in a

variety of colours; blue, purple, orange, yellow, pink and white.

SHEFFIELD, TASMANIA - A TOWN OF MURALS: For the last 25 years, the pictorial history of Sheffield has been painted on almost every blank wall in the town. This came about in 1985 after a public meeting was held to formulate strategies to overcome the economic decline and a committee was formed.

THE BACK-ROADS DIFFERENCE

Picture a touring holiday, which delves that bit deeper. One that doesn't simply drop by top sights and major cities, but invites you to see a destination through the eyes of the people who know it best: the locals who call it home. Where journeys are made for absorbing never-to-be-forgotten views and each day ends in a hand-picked boutique stay loaded with local charm. Back-Roads Touring has spent over 25 years perfecting the ultimate 'off-the-beaten-track' tours.

One of the key secret ingredients? Back-Roads' award-winning On-Road Team. Dedicated to delivering a truly authentic experience, Back-Roads' expert Tour Leaders boast a vast collection of unique personal stories that marry perfectly with their knowledge and passion. From royal protection officers to soldiers;

philanthropists to artists; their fascinating tales will enrich your tour every step of the way. Travelling in small groups of up to 18 people, you are promised a more personalised experience. With luxury mini-coaches offering spacious seats, air-conditioning and large windows for enjoying the view, you will journey through winding country lanes, coastal gems and breath-taking mountain passes in comfort. Along the way, your Tour Leader can offer insights into the places you see, and with long drives kept to a minimum, you will have plenty of time to explore at your own pace. As you meander through different countries and towns, one of the most enjoyable ways to experience various cultures is to sample the cuisine. From visits to local producers, to food and wine tastings and even cooking classes, Back-Roads ensures ample opportunity to discover new flavours.
