INSURANCE:

A fully comprehensive travel insurance policy is essential for all travellers. I can advise you on the most suitable options for your travel and provide you with a quotation, pre-existing medical conditions must be declared to ensure correct cover and claims are not declined. Cancellation insurance should be included from the time you make your first payment towards your travel. Should you decide not to purchase travel insurance through our store, an Insurance Responsibility Waiver is required to be signed in all cases. helloworld Travel strongly cautions anyone against travelling without a suitable insurance cover. **Please note Travel Insurance covers any unforeseen reason you may need to cancel (excluding pre-existing medical conditions and any Covid/Pandemic related situations).**
