AQUA EXPEDITIONS

Celebrating a decade of success in 2017, Aqua Expeditions is globally recognised as a leader in small ship river cruising. Founder Francesco Galli Zugaro launched the first luxury cruise on the Amazon River in Peru, quickly earning accolades for professionally guided nature-based adventures combined with sophisticated, architect-designed 5-star boutique hotel accommodations and gourmet cuisine. On the other side of the world, in 2014 Aqua Expeditions launched the 20-suite Aqua Mekong, sailing the Mekong River between timeless Cambodia and contemporary Vietnam.

With 7 night, 4 night and 3 night itineraries, guests travel deeper into each epic destination by bicycle and kayak to view little seen worlds of enduring wonders. A full-time paramedic ensures guest safety on every adventure. Aqua Expeditions offer limited edition Founder and Chef hosted departures, and have formed an exciting partnership with Jean-Michel Cousteau, world-renown explorer, filmmaker, educator and champion of ocean conservation.

Aqua Expeditions nature-based luxury cruise down the Amazon River offers uniquely “up close” journeys, surrounding guests with exotic wildlife and the natural beauty of Amazonia while also allowing guests to experience Peru at a leisurely pace and get to know first-hand, one of the most culturally and environmentally-diverse countries on earth. The elegant 16-suite Aria Amazon is aligned with the latest technology and features generous lounging and dining areas, an outdoor river facing Jacuzzi and sleek, comfortable skiffs.

A cruise on the Aria Amazon offers guests the comfort and elegance of a custom-designed ship and high level guest service with a 1:1 guest to staff ratio. Spacious and indulgent, yet private enough to feel entirely exclusive. Floor to ceiling windows face the Amazon River in the ship's 16 Design Suites (with blackout windows for maximum privacy). Handsomely decorated with natural fibres and neutral hues these air-conditioned accommodations with en suite sitting areas and stone bathrooms measures 23 square meters.

From one great river in the Americas to another on the opposite side of the world, Aqua Expeditions is honoured to host guests in the historically and culturally rich countries of Vietnam and Cambodia in Southeast Asia, journeying the iconic Mekong River from Siem Reap, Phnom Penh or Ho Chi Minh (Saigon). Here, between the thriving cultures of the Mekong Delta in southern Vietnam and Cambodia's ancient ruins and colonial charms, Aqua Expeditions

delivers unprecedented international luxury and local intelligence to discerning and adventurous guests.

The sustainably crafted 62 metre Aqua Mekong is a floating five-star hotel featuring 20 designer suites – the river's largest guestrooms — that overlook the Mekong through floor-to-ceiling windows. This is the only ship on this stretch of the river to offer a fully equipped gym, screening room, outdoor cinema, observation deck, and an upper-deck pool. Dine on world-class dishes created by top Southeast Asian cuisine chef, David Thompson and board the Mekong's only private tenders for expert-guided shore excursions. With a guide to guest ratio of 1 to 10, guests are treated to serene Buddhist temples and stilted villages plus exploration of the unique landscape.

Cruise fares include all the luxuries of a 5-star floating boutique hotel. All meals are included while onboard, along with non-alcoholic beverages, select premium wines, sparkling wine and national beer. Guests will find all shore excursions off the ship, kayaking and biking excursions and onboard cooking classes are complimentary.
