FIJI VOLUNTEERING

VINAKA FIJI TRUST FOUNDATION

The Yasawa Trust Foundation was established in 2010 and created the 'Vinaka Fiji' Volunteer Programmes in Fiji's remote Yasawa Islands. The aim of these programmes is to improve the provision of basic needs and amenities missing from village life. Vinaka Fiji invites you to share the magic of Fiji whilst helping the people of the remote villages of the Yasawa Islands. Volunteer programmes cover key areas of need, from helping children learn, to planting crops, installing water tanks or working in baby clam nurseries. Programme length is flexible from 1 to 26 weeks, and the range of opportunities to help means there is something for everyone. If a holiday in Fiji, combined with the opportunity to become more involved in island life to genuinely 'give back', lend a helping hand, and to make a difference through your travel sounds like a good idea, then Vinaka Fiji Volunteering will be a highlight of your travel experience.
